LOCATION OF PROPERTY

PROPERTY COMMENTS

The property is located in North West Milwaukee just south of W. Capitol Drive. It is in a residential neighborhood consisting of single family homes, apartments and condominiums.

It was built in 1956 with an addition of a second floor in 1964. The building is of stone construction with a more modern look.

The parcel is an odd trapezium shape at the end of the block consisting of .43 +/- acres.

The building is very clean and kept up to the best of the current tenant, There is some water leakage and potential damage to the area.

This would be a great building for a religious organization, school, non-profit organization or other similar uses.
